

Invitation to stakeholder meeting with AIDS Accountability International

Sunday 18th July, 14.30-16.00

Place: Room 'Salon Kubin' Hilton Vienna Plaza, Schottenring 11, Vienna

AAI in relies on the input of external stakeholders in our work. The support and contribution of our network throughout the years are highly valued. We would therefore like to take the opportunity during the XVIII AIDS Conference to meet in person.

AAI is entering a new phase and has a number of exciting initiatives in the pipeline. We would like to briefly present our future plans, but more importantly, we would like to hear your feedback, queries, ideas and suggestions. You will also get a chance to meet with other members of our network.

Warm Welcome!

The number of participants are limited, please RSVP before July 12th, 2010 to anita@aidsaccountability.org
